

Bobcats Donate Canned Foods to the Santa Ynez Valley

Santa Ynez School ran their annual Fun Run this year in November, but decided to make it a Turkey Trot as well. All the students from TK to 8th Grade collected and donated Canned Foods to give to the Santa Ynez Valley. Mrs. Olsen's 2nd grade class collected over 180 canned foods. They are seen here in the picture dropping off more than 1000 cans to People Helping People in Solvang. The Bobcat family would like to thank all the families that participated.
